THE HISTORY OF AVEC SINCE 1993..

32 YEARS OF PROFESSIONAL TEAM & SPORTSWEAR SUPPLY

The Start of the Journey 1993

Avec is founded by its current owner with the manufacturing and development support of the 5th largest clothing supplier to M & S at that time.

Developing the Brand 1995

Avec continues to develop its values for high quality performance leading products that quickly develops into the signing of Sheffield United FC as the official "Team Kit" Supplier.

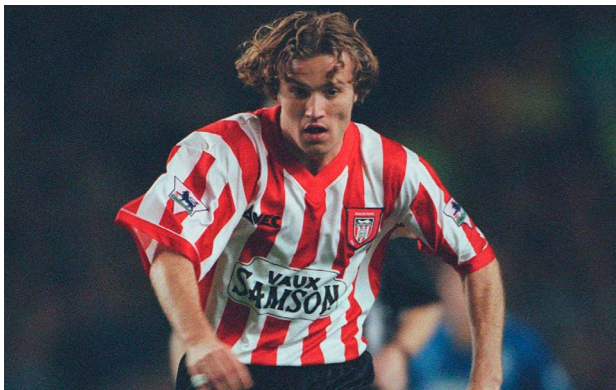

The Ceefax Striker 2000

Avec is supplying to Wycombe Wanderers when the Club sign a Player using The TV information App Ceefax who went on to score a last minute goal in the Finals of the FA Cup.

Building our Brand 2014

Avec Re-Brands with a focus on building from its Heritage a modern identity that can be recognised as offering value, credibility, aspiration, trust and performance with high quality products and recognisable Designs.

Building the Legacy 1994

Avec launches itself into Professional Football with a 4 year £1.5m contract to become the new official "Team Kit" Supplier to Sunderland AFC.

Independence Day 1997

Avec breaks away from its partner clothing supplier. Substantial growth takes place in the brand's Team Portfolio of Clubs supplied. Avec relocates to a new Warehouse and Office facility in Durham UK.

Premier League in Style 2013

Avec launches the Eagles "Evil Sash" Jersey with Crystal Palace FC following the Clubs promotion to the English Premier League.

Retro with a Modern Twist 2023

Avec reaches its 30th Year and once again partners with Sunderland AFC to create an historic range of 1994/5 Retro products utilising modern styling, fabrics and fit.

THE FABRIC OF OUR ID

Avec Heritage 'A' Design

Prominently showcased across our product line, the Avec Heritage 'A' embodies a bold and distinctive design. Inspired by our iconic kits. This signature emblem pays tribute to our rich history and legacy, making it a timeless symbol of quality and tradition.

Soft-Feel Neckline

Prominently featured at the neckline, our soft-feel neckline is designed with comfort at its core. Finished with our signature branding printed on the neck band, it delivers a smooth, irritation-free fit.

Embroidered Logo

Our Jerseys are embroidered with our signature Brand ID's, Avec or Heritage Avec 'A'. This ensures a mark of authenticity and quality. Our 'Avec' and 'A' logos are expertly colour-matched to complement each product style, sitting proudly on the chest to create a bold and iconic aesthetic that defines the Avec brand.

Ultra-Mesh Side Seam

Select Jerseys feature our innovative Ultra-Mesh Side Seam, engineered for optimal airflow. This advanced ventilation system enhances breathability, helps to regulate body temperature and helps achieve peak performance.

Avec Authentic Woven Label

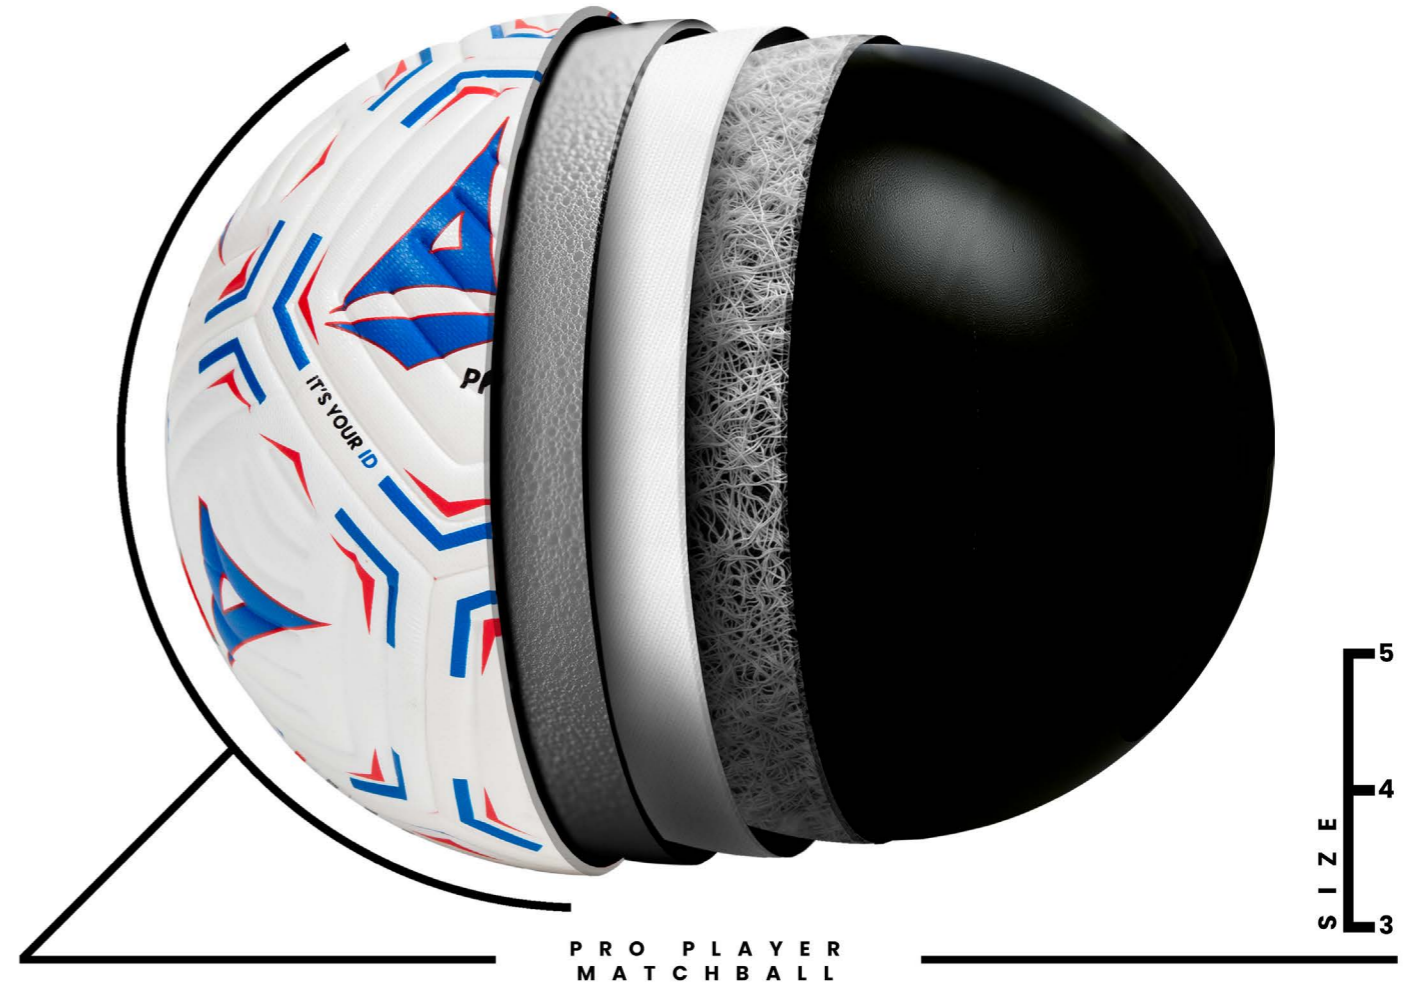

As our Jerseys have evolved, we have incorporated an Authenticity Label to verify each product as genuine. This mark of excellence delivers Avec quality, Avec style, and Avec Performance; delivering the reliability and craftsmanship Avec is known and recognised for.

Pro Fit

Each of our Jerseys are designed with Pro Fit Styling, ensuring a true-to-size fit with professional quality and craftsmanship. Featuring Soft-Feel Stretchable Sleeve Cuffs for enhanced comfort, they provide a sleek athletic look, while maintaining a high quality professional appearance.
